Operational FAQs

1. What is Project Maia?

Capgemini Group has launched a strategic initiative to train and certify 5,000 Sales personnel and Influencers. This project will run till December 2022.

[Return to Index](#)

2. Who qualifies for this program? What are the pre-requisites for this program?

- As the Maia program is centered on influencers, staff of all grades are eligible, but they need to be “Influencers”. **Influencers** are key individuals who find, or support AWS deals or communicate directly with customers (e.g., VPs, AEs, SAs, BDEs, pre-sales, delivery, developers, testers, PM’s, etc.)
- All trainees need to complete the training and certification within 60 days for AWS Sales Accreditation/Cloud Practitioner and within 90 days for all other AWS Certification streams. All potential trainees need to align with their BU/GBL SPOC to get nominated for the program.

[Return to Index](#)

3. What is the scope/objectives of this program? How does Capgemini benefit from this program?

The scope of the program is to train and certify 8,000 Influencer staff on AWS technologies.

Influencers are key individuals who find, or support AWS deals or communicate directly with customers (e.g., VPs, AEs, SAs, BDEs, pre-sales, delivery, developers, testers, PM's, etc.)

Capgemini benefits from participating in this program:

- Help train & certify more influencers on AWS.
- Significantly grow the number of opportunities with AWS.
- Grow our global capabilities on AWS.
- Grow our brand awareness in the market and within AWS.
- Show commitment to our AWS partnership.

[Return to Index](#)

4. How long do I have to finish the training & certification?

To stay within the program's timelines, the trainee has **60 days** for AWS Sales Accreditation/AWS Cloud Practitioner/AWS Migration Ambassador and **90 days** for all other AWS certification streams to complete both training and certification.

After the certification completion, all trainees **MUST MANDATORILY** update the certification outcome (PASS/FAIL) at cglinks.tayal.fr/maia-certstatus. AWS Validation number from your PDF certificate is mandatory to get certification-related benefits under the Maia program.

(We do not get this data from AWS team due to GDPR constraints).

[Return to Index](#)

Training & Certification related FAQs

5. How do I create an AWS training account?

- Click on the link <https://partnercentral.aws partner.com/SelfRegisterPartner>
- In the Name field enter your full name
- In the email field enter your **Capgemini e-mail id ONLY** for registration in the portal
- In Job title field enter your designation
- Training and certification consent select Yes in the dropdown option
- In Contact type drop down, select the appropriate option based on your role
- Click Submit. You will receive an email in **your Capgemini e-mail id** entered above.

Also find a video guide to register for a personal APN partner account here: | [Video Guide](#)

[Return to Index](#)

6. Are there any mandatory training courses to take before taking the certification exam?
Yes, there are specific Learning paths defined and we recommend that you follow this link to gather more information on the learning path for each certification
<https://aws.amazon.com/training/learning-paths/>

[Return to Index](#)

7. Which training is available and what are the recommended training hours for every certification/accreditation track?

AWS Certification/Accreditation Track	Recommended Training Hours under the MAIA Program
AWS Sales Accreditation	8 hours max
AWS Migration Ambassador Accreditation	3 hours max
AWS Cloud Practitioner	9 hours max
AWS Solutions Architect Associate	50 hours max
AWS SysOps Administrator Associate	25 hours max
AWS Developer Associate	28 hours max
AWS Solutions Architect Professional	46 hours max
AWS DevOps Engineer Professional	29 hours max
AWS Advanced Networking Specialty	54 hours max
AWS Security Specialty	29 hours max
AWS Machine Learning Specialty	42 hours max
SAP on AWS Specialty	25 hours max
AWS Data Analytics Specialty	36 hours max
AWS Database Specialty	36 hours max

[Return to Index](#)

8. What additional resources can I leverage to prepare for my AWS certification exam?

Based on feedback from other Capgemini staff who cleared the AWS certification, please find below some recommendations and resources.

- Cloud Academy also offers final exam samples that can be taken after the course. Trainees shouldn't skip those.
- Try doing more hands-on labs and lab playgrounds. They have a very important role in passing the exam.
- Exam readiness workshops from AWS available for FREE on APN are quite useful in preparing for the final AWS certification exam and vastly improve the chance of passing the final certification exam.
- For ProCert level exams, very important to also read AWS documentations and FAQs on the services related to the exam. Many exam questions are based on these.

10. As a trainee, what are my next steps after being enrolled in the Cloud Academy Course?

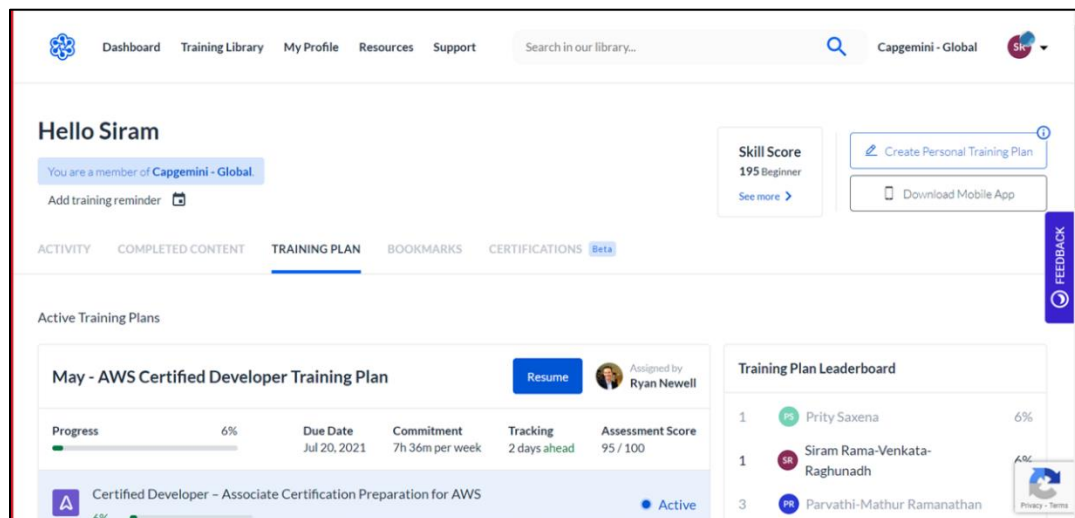

After your enrolment in the AWS training under Maia, you will receive an invitation mail from Cloud Academy requesting to setup your account. Please check the screenshot below.

MAIA Frequently Asked Questions

After you create or Login to your account, you first need to clear a preliminary quiz. This quiz is just to assess your current knowledge before you start your assigned training.

After completing the preliminary short quiz, you are then re-directed to Cloud Academy Training dashboard (Screenshot below for reference)

On clicking the **Start** button, you can start your learning journey. You may visit the Cloud Academy link below for a detail walkthrough of the process.

<https://support.cloudacademy.com/hc/en-us/articles/360061319712>

If you face any issues with the Cloud Academy platform, please reach out to Cody Parker from Cloud Academy support team at Cody.Parker@cloudacademy.com.

Exam Scheduling FAQs

9. How do I schedule my certification exam after receiving a certification voucher from my BU/GBL Admin?

You can do this online! Visit the [Pearson Vue](#) and sign in to select the exam you'd like to schedule. Please [read this document for step-by-step instructions](#).

[Return to Index](#)

10. If I cannot take the exam due to some emergency, is it possible to reschedule the exam? How to do it?

A **maximum of 2 reschedules** are allowed by Pearson Vue. The rescheduling must be done at **least 24 hours prior** to the exam date or else the exam fees will be forfeited.

For further details, please refer to [AWS FAQs here](#).

[Return to Index](#)

11. Which options are available for taking an exam and from which partners?

Online proctoring Exams as well as **in person exams at test centres** are currently offered by [Pearson VUE](#)

IMPORTANT: Pearson Vue offers online proctoring for **all** AWS certifications.

In case of online proctoring option, VERY IMPORTANT

- You must have a. high speed internet connection and b. power backup/UPS that can last for 4 hours or more. In case these are not available, we strongly advise you to **ONLY opt for taking the exam at the nearest Pearson Vue exam center**.
- You must work with your local ITICS team **TO DISABLE THE** "Hive Streaming Service" till the exam is completed otherwise you will NOT be able to complete the online proctored exam!

12. What are the pre-requisites to take an exam from home without having to go to an exam-centre?

This option is available from [Pearson VUE](#) . Please note **Pearson Vue** offers online proctoring for **all** AWS certifications.

Pearson VUE – [Check System Requirements here](#)

(HIGHLY RECOMMENDED) :use Personal laptop or work with ITICS to disable "Hive Streaming Service" before exam start. If not possible, please DO NOT choose online proctoring and rather take the exam at Pearson Vue center.

In case of online proctoring option, VERY IMPORTANT

- You must have a. high speed internet connection and b. power backup/UPS that can last for 4 hours or more. In case these are not available, we strongly advise you to **ONLY opt for taking the exam at the nearest Pearson Vue exam center**.

- You must work with your local ITICS team **TO DISABLE THE** “Hive Streaming Service” till the exam is completed otherwise you will NOT be able to complete the online proctored exam!

13. Are there any special considerations I need to be aware of while taking the exam from home?

Yes, here is the check list of minimum system requirements and if English is not your primary language, then you get an additional 30 minutes to complete the exam. Please refer to questions no. 15 & 16.

- Stable and high-speed internet connection
- Webcam needs to be enabled and working correctly
- In advance, PC compatibility to be checked with OnVUE compatibility test
- **No one else allowed in the room, room should be closed, etc.**
- Double monitor needs to be disconnected

Pearson VUE – [Check System Requirements here](#)

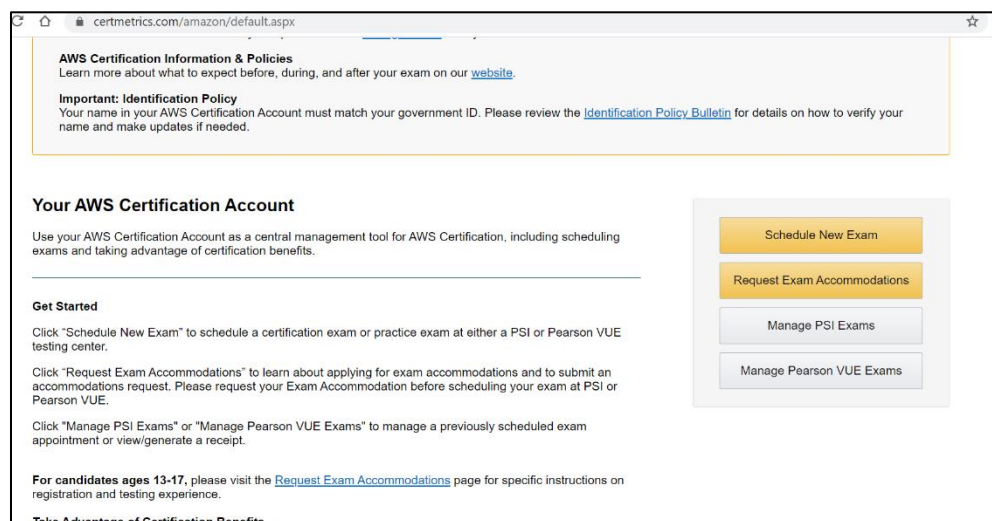

14. I cannot see the 30 minutes extra time option (ESL+30) on the portal while scheduling my exam. What should I do?

This facility is available to the candidates for whom English is a second language (ESL) as they may request additional examination time. This option is currently available online on the portal.

A 30-minutes exam extension is available upon request to non-native English speakers when taking an exam in English. The accommodation, “ESL +30,” only needs to be requested once, prior to registering for an exam. It will apply to all future exam registrations with all test delivery providers. To request this accommodation, follow these steps:

- Sign in to aws.training/Certification.
- Select the Go to your Account button.
- Select the Request Exam Accommodations button, followed by Request Accommodation.
- Using the Accommodation Type dropdown, select ESL +30 MINUTES.
- Select the Create button.

Please refer to the screenshots below for setting up the ESL+30 accommodation.

15. I took the exam and passed/failed. How do I share my exam results?

OR

I am not planning the AWS Certification- how do I return the assigned voucher back?

As soon as you clear your certification exam or not planning to go for certification, please update the certification exam outcome/voucher status on the link [submit your status here](#).

16. I have a problem while scheduling my exam OR during my exam (e.g. Exam didn't start, online proctor-related issues etc.) and need to reach someone for additional support? Who are my contacts?

ONLY in case of a voucher issue (e.g., voucher cannot be applied, voucher error, etc.), please fill the form at cglinks.tayal.fr/maia-issues
(We consolidate and resolve issues once a week so kindly allow us **at least 5 working days** before following up)

In case of issues with scheduling the exam or during the exam (e.g., session ended abruptly, Pearson Vue platform issues, proctor-related etc.), please reach out to [Pearson Vue Customer Support](#) or if urgent, please call Pearson Vue customer care on your local number given below.

Ask a question		

17. I am a person with special needs. Are there any special AWS certification accommodations available for people with special needs?

Yes, Pearson VUE & PSI allow accommodations to qualified candidates who are identified as having special needs.

[Accommodations at Pearson VUE](#)

For Pearson VUE-granted accommodations, candidates will be required to request accommodations directly with Pearson VUE. A candidate with an approved accommodation will be given instructions for scheduling their exam appointment over the phone. For more information and to request accommodations, visit [Pearson VUE's accommodations page](#).

[Comfort aids](#)

There are specific comfort aids, such as medicines, medical devices, and other items, that do not require prior approval. You may bring these items to test centres. Allowable comfort aids differ based on the test delivery provider.

Visit [Pearson VUE's comfort aids page](#) for the current list of their allowed comfort aids.

18. What information should I have prepared to provide when I schedule my appointment?

When you schedule your appointment, you should be prepared to provide any of the following information:

The name used to schedule your appointment must exactly match the name shown on your identification. At a minimum, the identification must be a valid, government-issued ID that shows your name in the English alphabet, your signature, your photograph.

- Your Social Security, or Licensing Authority/Sponsor issued I.D. Number.
- Contact phone numbers - If there is an unexpected event, we will use these numbers to contact you.

- Mailing address - Please provide the address to which you would like your score report or other important information mailed.
- Exam title.
- Eligibility information, if required.
- E-mail address - Once again for contact purposes, this is often the fastest and most effective means of communication. Many licensing authorities or sponsors require e-mail contact information for registration.
- Method of payment/Voucher code

[For information on exams, rescheduling, and more, please check this link](#)

[Pearson VUE FAQ](#)

19. Where can I find test delivery information specific to my country?

You'll find the most up-to-date information about test delivery by choosing your country from the menu on the Pearson VUE [COVID-19 webpage](#).

20. How can I find the latest information on test delivery during this pandemic?

Please visit the Pearson VUE [COVID-19 webpage](#) regularly for updates.

21. Can you share Pearson VUE contact details?

If chat is "offline," see below for telephone numbers and office hours.

Maia Enrolment/Nomination Questions

- 22. Is it possible to submit someone for more than one certification? They'd be interested in acquiring the Cloud Practitioner certification, then following on to the Solutions Architect Associate course.**

It is possible for Cloud Practitioner and other streams need to be kept separate as the deadlines are different (60 days for Cloud Practitioner/Sales Accreditation/Migration Ambassador vs. 90 days for other streams).

- 23. What are the Training options available for AWS Sales Accreditation/AWS Cloud Practitioner?**

For AWS Sales Accreditation/AWS Cloud Practitioner/AWS Migration Ambassador training, AWS is arranging self-paced OR instructor led virtual sessions for which information will be shared by Maia core team once your nomination is confirmed.

- 24. What are the Training options available for other certifications apart from Cloud Practitioner?**

For all the other Associate & ProCert level certifications, you will be getting a confirmation mail from AWS Global alliances team followed by instructions from Cloud Academy.

Please remember to add cloudatacademy.com to your e-mail whitelist so it doesn't end up in your spam folder.

- 25. What steps to be followed so that the candidates do not miss the course invitation mail from Cloud Academy?**

Please ensure you **whitelist the cloudatacademy.com domain** in your e-mail client (Outlook) to ensure the Cloud Academy enrollment mail does not end up in your spam folder by mistake. Instructions on how to whitelist an e-mail id: <https://support.microsoft.com/en-us/office/block-or-allow-junk-email-settings-48c9f6f7-2309-4f95-9a4d-de987e880e46>.

Some staff members reported issues while accessing the Cloud Academy link due to VPN/FortiGuard restrictions. For these cases, please try after disconnecting from VPN.

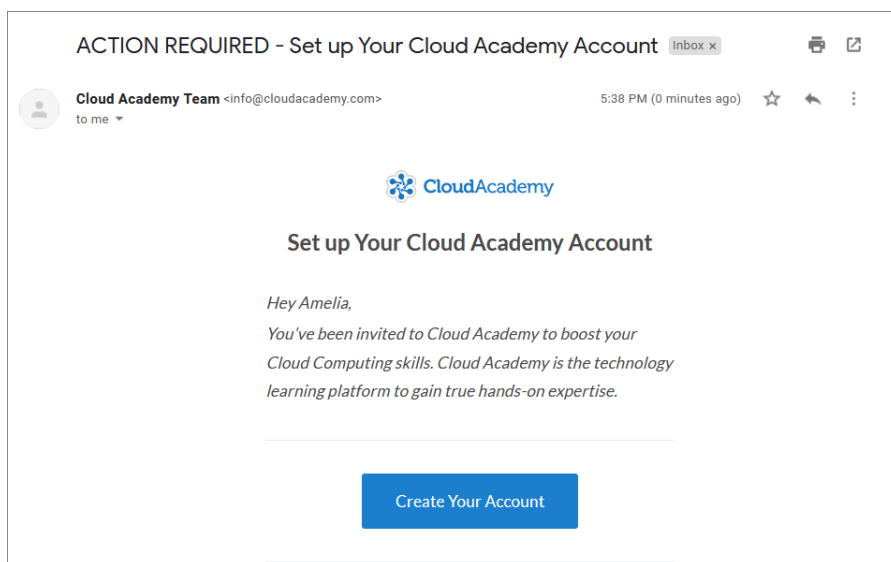

26. Can we use Project Maia to train/certify a staff member with an expired certification and willing to get RECERTIFIED?

Yes, that can be done.

27. As a trainee, what are my next steps after being enrolled in the Cloud Academy Course?

After your enrolment in the AWS training under Maia, you will receive an invitation mail from Cloud Academy requesting you to setup your account.

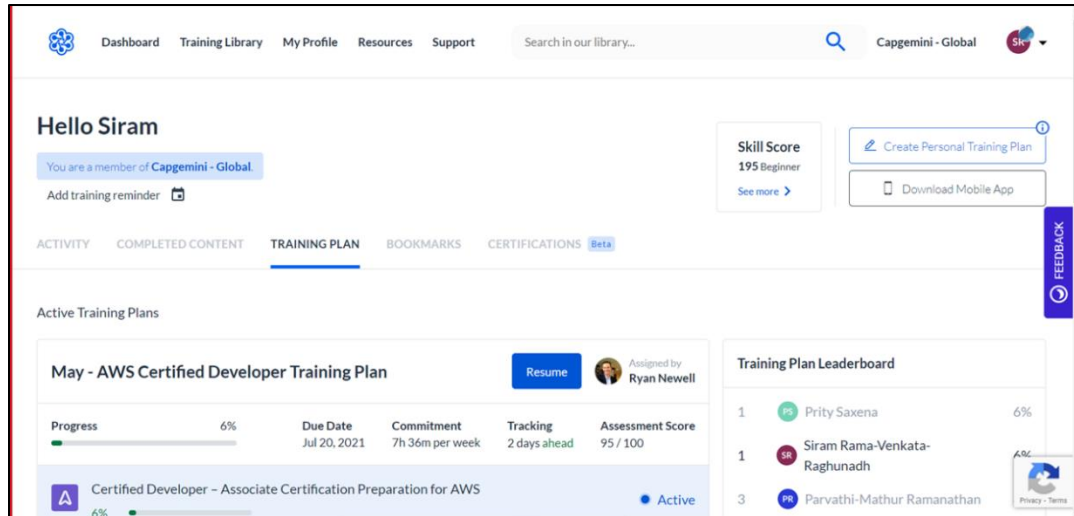

Please check the below screenshot: -

After you create or Login to your account, you first need to clear a preliminary quiz. This quiz is just to assess your current knowledge before you start the your assigned training.

After completing the preliminary short quiz, you are then re-directed to Cloud Academy Training dashboard (Screenshot below for reference)

MAIA Frequently Asked Questions

On clicking the start button, you can start your learning journey. You may visit the Cloud Academy link below for a detail walkthrough of the process:-
