

MAIA Guide for Trainees

July 2022

Forward
Together

Project MAIA

What is it...

- ✓ After the successful pilot MAIA program, Capgemini Group has launched Maia M3, a strategic initiative to train and certify approximately 5,000 “Influencer” personnel from Capgemini between February and December 2022. Influencers are key individuals who find or support AWS deals or communicate directly with customers (e.g., VPs, AEs, SAs, BDEs, pre-sales, delivery, developers, testers, PM’s, etc.)
- ✓ Training option for you: Cloud Practitioner training/Sales Accreditation is offered in self-paced mode or instructor-led mode via AWS and All other AWS streams are offered in self-paced mode.

Project MAIA

How does it benefit you...

- ✓ Establish yourself as an expert by getting trained and certified on AWS: a leader in the Public Cloud.
- ✓ Certification on AWS is asked for by our customers.
- ✓ Especially staff with Professional level AWS certifications are hugely in-demand by our customers.
- ✓ You get the opportunity to get trained & certified at no cost to you!
- ✓ Participation in this program helps Capgemini grow our global capabilities on AWS & help us grow Capgemini's brand awareness
- ✓ Training and certification hours also count towards your utilization rate

PLEASE ENSURE you have gone through the entire deck

Pre-requisites for Trainees

- ❖ Ascertain your “Business as Usual” work-load allows enough time for the training and certification.
- ❖ You have 60 days for Sales accreditation, Cloud Practitioner Foundation and Migration Ambassador and 90 days for other streams to complete your training and certification. These trainings require 8-9 hours for Sales accreditation/Cloud Practitioner and between 18 to 50 hours for technical trainings- details on next slide.
NOTE: No certification is required for Sales Accreditation and Migration Ambassador streams.
- ❖ To stay within Project MAIA timelines, it is highly recommended to start your course **within 5 working days.** Consistency is **EXTREMELY IMPORTANT** to ensure you can complete both the training and take the certification exam **before the due date.**
Any extensions are highly discouraged, except under rare circumstances.
- ❖ As soon as you clear your certification exam, **mandatory step** is to update your certification exam outcome along with your validation number mentioned on your certificate on cglinks.tayal.fr/maia-certstatus
We highly recommend setting reminder on your calendar for this.
(We do not get this data from AWS due to GDPR constraints and rely on self reporting from you!)
- ❖ You should work **ONLY with your BU/GBL team**. In case of issues not resolvable at BU/GBL level, please request your BU/GBL SPOCs to consolidate and reach out to GSIP team for further support.
- ❖ **You MUST ONLY choose** the online-proctored option for the AWS Certification exam if you have a. reliable, high-speed Internet, b. working webcam, c. UPS power backup for at least 4 hours and d. if using office laptop, **Hive streaming service should be disabled**. Use personal laptop, if possible.

If you don't meet these criteria, kindly take the exam at your nearest Pearson Vue center.

IMPORTANT: APN Consent: 7 Easy Steps!

VERY IMPORTANT as we don't get this data from AWS due to GDPR constraints without your consent.

7 Easy Steps (Time Required: ~1-2 minutes)

1. Log in to your [APN Partner Central](#) account. If you don't have an account, create one using this [link](#). Make sure to include your Certification Account email address (Capgemini Email ID). This is the email id you used when registering for your AWS Certification exam.
2. In the left pane, under **Quick Links**, click **View My Profile**.
3. In the **User Information** pane, click **Edit**.
4. Under the **AWS Certification section** - AWS T&C Account E-mail field, add your **Certification Account email address** (Capgemini Email ID). This is the email id you used when registering for your AWS Certification exam.
5. Under the **"I consent to share my AWS certification with "Capgemini"***, click on the dropdown and choose "Yes".
This important step allows Capgemini to view your completed certifications, enables us to count you among our valued AWS professionals and match any suitable opportunities in the future to your AWS skillset.
6. Now, go back to the top of the **AWS Certification section** and click on **"Submit"** button on the right to save this information to **AWS Partner Central portal**.
7. Now, **please take a screenshot (see example on next slide)** of Consent option after submitting the form. You will be uploading this as part of your Maia nomination.

Quick Tip: You can easily take screenshot by pressing  (Windows Key), Shift & S keys together on your keyboard. **Do remember** to paste this screenshot in Word!

IMPORTANT: APN Consent: **Sample Screenshot**

After submitting the APN Consent form, **please take a screenshot** as per example below. You will need to upload this Screenshot as part of your nomination for our records.

AWS CERTIFICATION	
AWS T&C Account Email	vishal.tayal@capgemini.com
I consent to share my AWS Certifications with "Capgemini" *	Yes

Quick Tip: You can easily take screenshot by pressing  (Windows Key), Shift & S keys together on your keyboard.

Do remember to paste this screenshot in Word to upload during your submission. Thank you!

Project MAIA- AWS Trainings/Certifications within scope

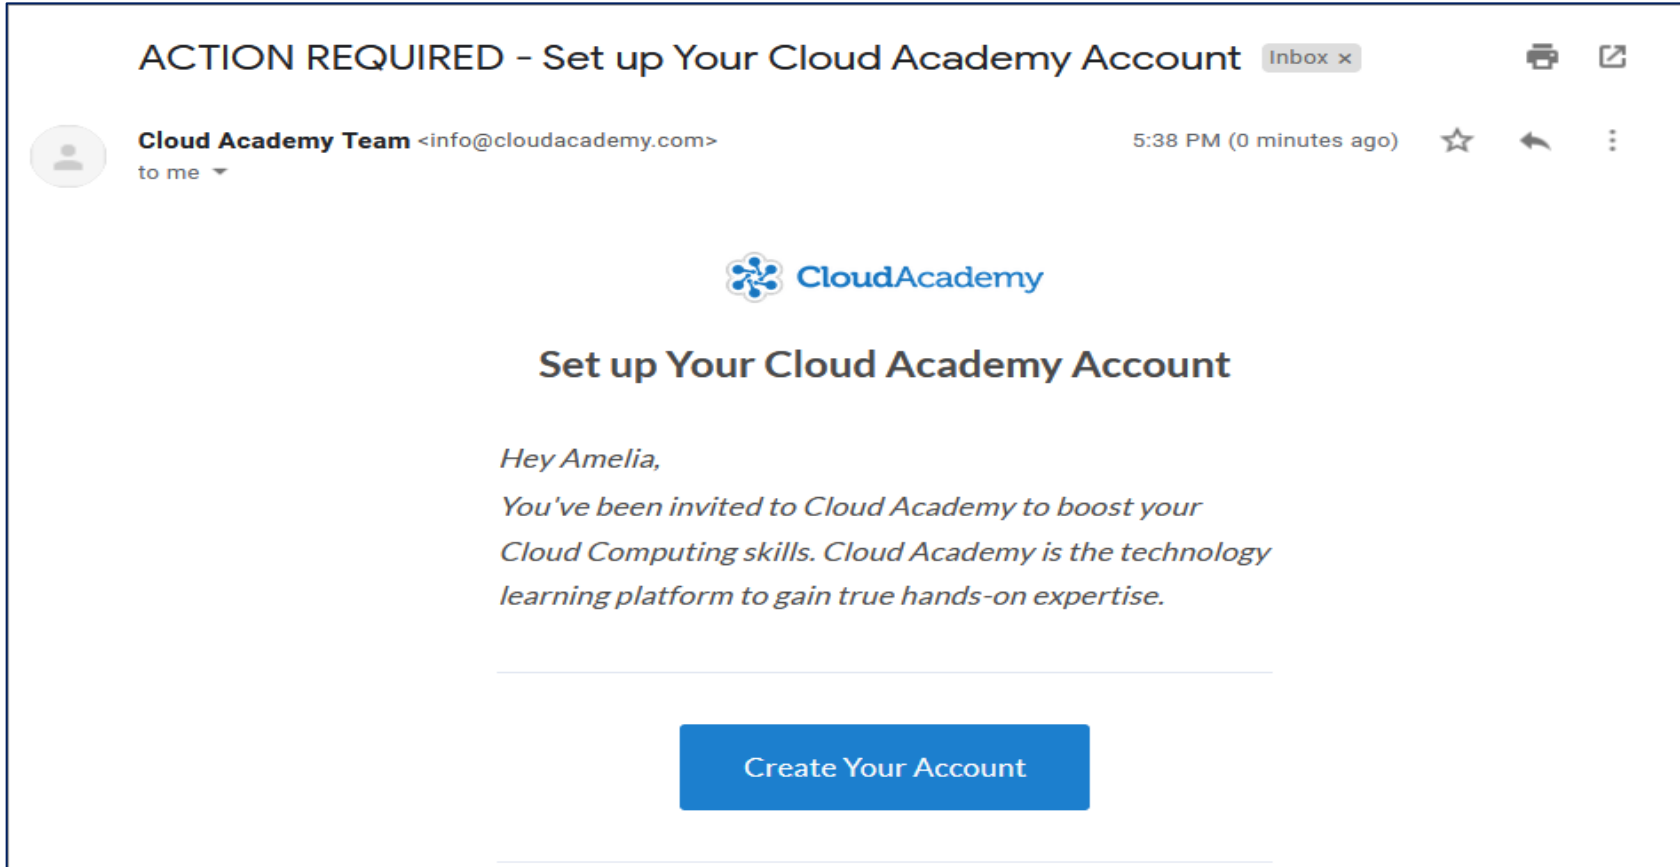

AWS Certification	Number of hours compensated under MAIA Program
Migration Ambassador- Business Foundations*	3 hours
AWS Sales Accreditation*	8 hours
AWS Cloud Practitioner	9 hours
AWS Solutions Architect Associate	50 hours
AWS SysOps Administrator Associate	25 hours
AWS Developer Associate	28 hours
AWS Solution Architect Professional	46 hours
AWS DevOps Engineer Professional	29 hours
AWS Advanced Networking Specialty	54 hours
AWS Security Specialty	29 hours
AWS Machine Learning Specialty	42 hours
AWS Data Analytics Specialty	36 hours
AWS Database Specialty	36 hours
SAP on AWS Specialty	25 hours

* No certification applicable for these courses

- ✓ **Step 1:** You get a mail from your BU/GBL SPOC [with the nomination link](#) to enroll for the program.
- ✓ **Step 2:** You fill the nomination form, upload your staff consent form and provide consent on APN portal to share your training/certification outcome with Capgemini- details on next slide.
- ✓ **Step 3:** You will receive enrollment mail from AWS Global alliances team with the training platform link and also the certification voucher that can be used on Pearson Vue to schedule your cert exam. Please ensure you check your training login credentials and remain consistent in completing the self-paced training modules to be within the program timelines.
PLEASE NOTE: Please book your time as per your usual timecode for the training and certification hours spent under Maia. The hourly cost for the time spent by you will be funded back to your MU under the program.
- ✓ **Step 4:** Within 5 working days of receiving the AWS certification voucher, please schedule your certification exam with Pearson Vue- either via online proctoring or at your nearest test center.
VERY IMPORTANT that you schedule your certification exam ASAP as there are limited slots for specific dates with Pearson Vue due to high demand.
- ✓ **Step 5: Please DO REMEMBER to share your certification outcome (PASS/FAIL) at link below.**
<https://cglinks.tayal.fr/awscertvoucher-status>
IMPORTANT: Please also provide your AWS Validation number **without FAIL.**
- ✓ **Throughout the program**
 - ✓ AWS Global alliance team checks the training progress on Cloud Academy portal and shares the progress weekly with your BU/GBL Maia SPOC. They are your primary contact for all Maia queries.
 - ✓ Lack of progress on the training is escalated to your reporting manager, Maia SPOC and to your Department head.

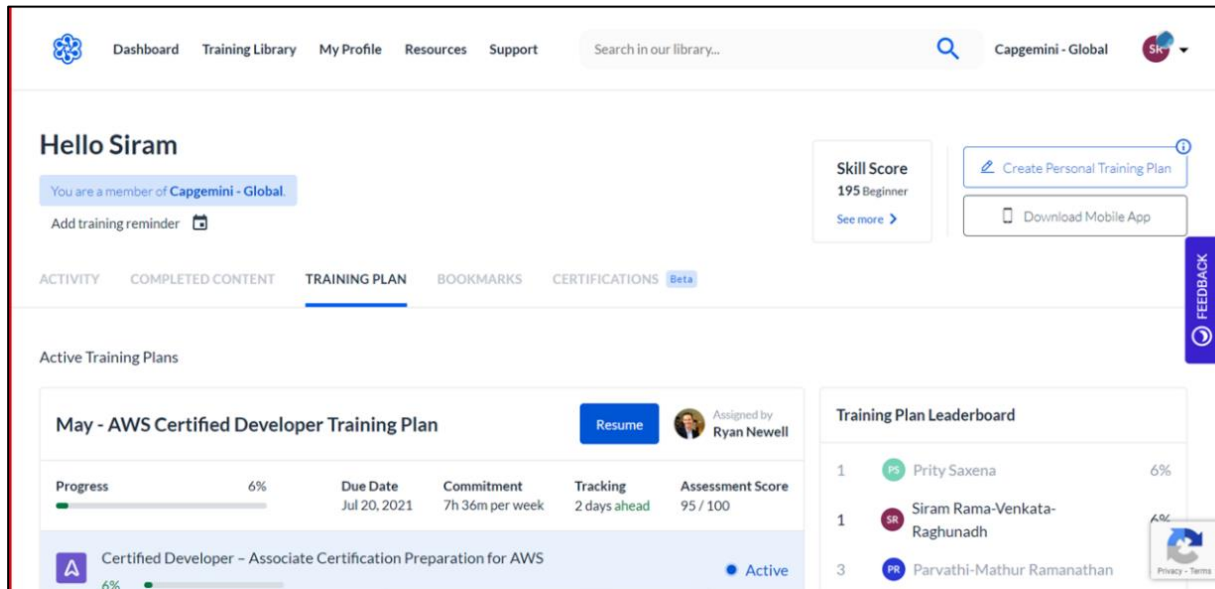

After your enrolment in the AWS Maia trainings, you will receive an invitation mail from Cloud Academy requesting to setup your account (ref. screenshot below)

If you face any issues with the Cloud Academy platform, please reach out to Cloud Academy support team on support@cloudacademy.com +1 510 393 9318 (Ryan Newell)

- After you create or login to your account, you first need to clear a preliminary quiz.
- This quiz is just to assess your current knowledge before you start the your assigned training.
- After completing the preliminary short quiz, you are then re-directed to Cloud Academy Training dashboard (Screenshot below for reference).

If you face any issues with the Cloud Academy platform, please reach out to Cloud Academy support team on support@cloudacademy.com +1 510 393 9318 (Ryan Newell)

- On clicking the **Start** button, you can start your learning journey. You may visit the Cloud Academy link below for a detail walkthrough of the process.

Project MAIA- How to schedule your AWS certification exam (2 of 4)

- Now, click on the '**Certification**' tab from the top list and click on 'Go to your Account' on the next page.

The screenshot shows the AWS Training and Certification homepage. At the top, there's a navigation bar with links: Learning Library, Certification, Support, and Partner Training. The main header features the text "Build your future in the AWS Cloud." and "The only set of training programs and offerings built by the experts at AWS." with a "CREATE ACCOUNT" button. Below this, the "Cloud Fundamentals" section is highlighted, with the subtext "Learn cloud fundamentals and best practices." Three course cards are displayed: "AWS Cloud Practitioner Essentials (Second Edition)" (6 hours), "Introduction to Amazon Elastic Compute Cloud (EC2)" (10 minutes), and "Introduction to Serverless Development" (23 minutes). A link "View All Cloud Fundamentals Trainings" is at the bottom right.

The screenshot shows the AWS Certification user interface. The header "AWS Certification" is centered. Below it, a paragraph explains the value of AWS Certification. A "Learn more" link is provided. The main content area is split into two columns. The left column lists actions: "Schedule and manage exams", "View your certification history", "Access your digital badges", "Download your certificate", and "View your certification benefits". The right column says "Welcome back! You already have an AWS Certification account." and features a "GO TO YOUR ACCOUNT" button with an external link icon. Below the button, it states "You will be redirected to CertMetrics". At the bottom, a section titled "What is CertMetrics?" explains that AWS Training and Certification uses CertMetrics as a third-party service provider.

Project MAIA- How to schedule your AWS certification exam

(3 of 4)

- And finally, you will land up on this page where you can schedule your Exam by clicking on '**Schedule New Exam**'

Your AWS Certification Account

Use your AWS Certification Account as a central management tool for AWS Certification, including scheduling exams and taking advantage of certification benefits.

Get Started

Click "Schedule New Exam" to schedule a certification exam or practice exam at either a PSI or Pearson VUE testing center.

Click "Request Exam Accommodations" to learn about applying for exam accommodations and to submit an accommodations request. Please request your Exam Accommodation before scheduling your exam at PSI or Pearson VUE.

Click "Manage PSI Exams" or "Manage Pearson VUE Exams" to manage a previously scheduled exam appointment or view/generate a receipt.

For candidates ages 13-17, please visit the [Request Exam Accommodations](#) page for specific instructions on registration and testing experience.

Take Advantage of Certification Benefits
Once you've achieved your first certification, you can take advantage of exclusive benefits, including AWS Certified merchandise, free practice exams, digital badges, and transcripts that you can use to showcase your expertise.

Confirm Your Accommodations - As a reminder, if you have requested an accommodation, please confirm that it is displayed on your account prior to taking your exam. Click "Request Exam Accommodations" to review your requested and approved accommodations.

If an ESL +30 accommodation is missing, please request the accommodation again.

If other accommodations have been approved and are missing, please contact PSI (1-800-367-1565 ex. 6701) and/or Pearson VUE (1-800-466-0450) and request that they re-approve the accommodations.

Schedule New Exam

Request Exam Accommodations

Manage PSI Exams

Manage Pearson VUE Exams

If English is not your primary language, you can request **30 minutes extra time** for your certification exam.

Please remember to click the "Request Exam Accommodations" button and request "ESL+30" accommodation.

- **NOTE:** In case you see below message on your screen, logout from your account and try again or if this error persists, please reach out to AWS PartnerCentral support.

ELIGIBILITY DELAYS

Please be aware eligibilities for pre-approved exams may be delayed up to 36 hours. If you are unable to schedule any exams with Pearson VUE or PSI, please log out of your account and try again at a later time. Our teams are working on a resolution. Thank you for your patience.

Project MAIA- For AWS certification exam provider: Pearson Vue

(4 of 4)

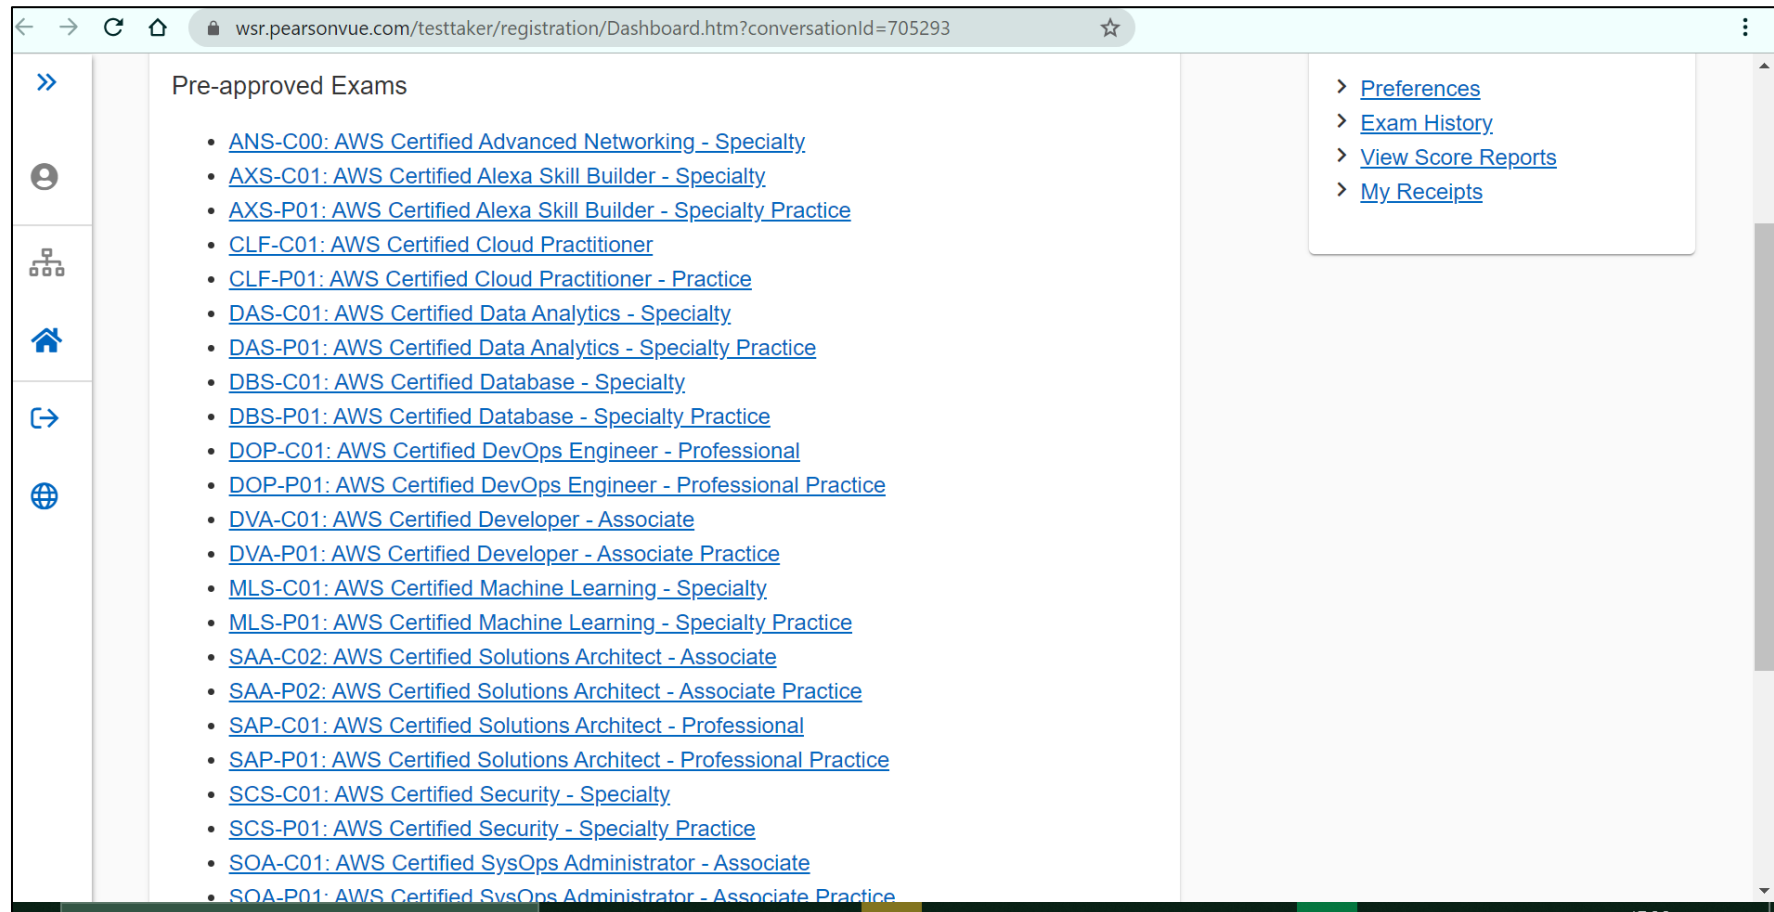

- Please always login via the AWS CertMetrics portal and **NOT directly** to the Pearson Vue portal. This way, your correct details will already be available via APN SSO to Pearson Vue.

On clicking "Schedule New Exam" on AWS CertMetrics portal, you will be taken to another page where you have to choose "Manage Pearson Vue" exams button. Please refer to screenshot below.

If English is not your primary language, you can request **30 minutes extra time** for your certification exam.

Please remember to click the "Request Exam Accommodations" button and request "ESL+30" accommodation.

Only choose Online Proctored Exam (if you are able to fulfil below requirements)

- ➔ **MUST HAVE:** Reliable and High-Speed internet connection, working Webcam on Laptop/Desktop, UPS power backup for at least 4 hours.
- ➔ Hive streaming service should be disabled (Only applicable for CG laptop/desktop). To remove Hive Streaming service, you need to connect with your local IT.
- ➔ If you still face any issues related to your exam, then please refer to the Question-17 of the FAQs for [contact details of Pearson Vue](#).
- ➔ You should be alone in the room while taking your exam, no one is visible in the background for duration of the exam.
- ➔ For online proctored exams, you are not permitted to stand up from or leave the view of the camera for any reason for the duration of the exam, including for a restroom break or any other kind of break.
- ➔ In case want to cancel/reschedule exam, then that is only allowed 24 hours before the exam start time. Also, this is applicable twice.
- ➔ To know more about online proctoring, click on the link ([Remote Online Proctoring](#)).

Requirements for Pearson Vue Exam Centers (Only applicable if you are going for exam centers)

- ➔ Need to carry at least 2 government IDs (Id must be an original).
- ➔ Reach at exam center at least 30 minutes before the start time of the exam.
- ➔ For more details on certification FAQs please visit [\(Pearson Vue AWS\)](#).
- ➔ Refer to your confirmation email for instructions on how to prepare for test day.
- ➔ A violation of Pearson VUE or PSI test center rules may lead to the immediate cancellation or termination of your exam without refunding or rescheduling the exam appointment.
- ➔ For Pearson Vue test center rules, please visit [\(Rules\)](#).
- ➔ Scheduled breaks are not configured for AWS Certification exams. For exams at a test center, you are permitted to take unscheduled breaks. The time for the exam will not stop during an unscheduled break. You are not permitted to leave the building at any time during an exam.
- ➔ In case want to cancel/reschedule exam, then that is only allowed 24 hours before the exam start time. Also this is applicable twice.

- We have a constantly evolving bank of FAQs that should be able to address any further questions you may have- please [CLICK HERE](#) to view the FAQs (you might require your Capgemini and MobilePass credentials so please have them handy)
- Please check back frequently as we keep adding as and when we get more questions from the trainees.
- Please reach out to your BU/GBL SPOC [only if](#) your question has not already been addressed as per the FAQ document above.

People matter, results count.
